Stafford Resigns Post On Red Cross Committee

Daniel R. Stafford, 72, former mayor and for more than a quarter of a century an active member of the Redwood City Chapter, American Red Cross, this week presented his resignation as a member of its executive committee. Stafford gave up his business in 1917 to head the home service branch of the chapter, tending to needs of families of service men in World War I.

Stafford told Pres. James W. Thornton that he wished to relinquish his place on the executive board to let other hands take over. Duncan Reynard was appointed to succeed him.

Two other existing vacancies on the board were filled by appointment of Mrs. Lawrence J. Steinhardt, blood donor service chairman, and Mrs. J. R. Fox, camp and hospital service chairman. Mrs. Marshall Fisher was named adjutant of the Red Cross motor corps.

The executive committee approved a quota of 1296 ditty bags for service men to be produced by Jan. 1. Mrs. George Hotaling, production chairman, reported completion of a quota of $500 worth of hospital garments.

For Red Cross participation in Civilian Defense Week Thornton appointed Mrs. Leslie Rudy, Mrs. William Baxter and Mrs. Polk Dodson.

In his letter of resignation, Stafford wrote: "... Time works against us after years of service and I find that today I cannot give you the active support that a member of this important committee should render."

Millington To Speak At La Honda Festival

Wayne R. Millington, Redwood City and San Francisco attorney, grand president of the Native Sons of the Golden West, will be one of the principal speakers at the fourth annual La Honda Mission Festival Sunday in Cuesta Bowl, La Honda.

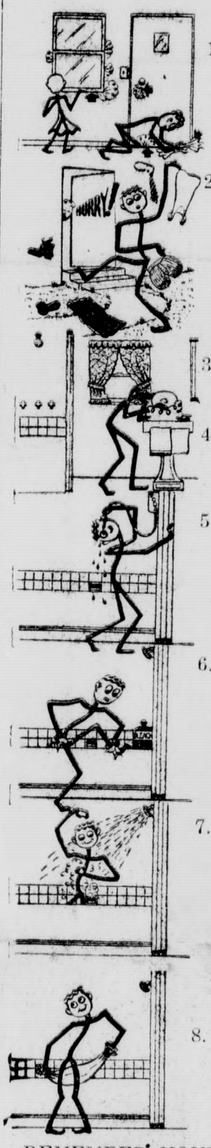
An outdoor Military Mass will be celebrated at 11 a.m., with troops of the 125th Infantry at Palo Alto participating. The festival is held annually for the benefit of Catholic Coastside missions.

Ray Lunny, prominent San Francisco boxer, will referee the boxing matches scheduled for the afternoon, Judge George B. Harris of San Francisco, chairman of the festival, has announced. He will be assisted by Joe E. Fox. Dean Maddux, better known as "Budda," will be master of ceremonies.

At 18,000 feet the pressure of the atmosphere is exactly half what it is at sea level.

What To Do in Gas Attack

(Alarm will be sounded by air raid warden beating on brake drum.)



1. If indoors, stay there, preferably upstairs. Make your house as gas-proof as possible.
2. If outdoors, seek shelter at the nearest house. Remove all clothing, tossing it away at the door, then blot off any visible liquid or droplets of gas with an uncontaminated piece of clothing. Get to the bathroom quickly.
3. Lather the hands and arms quickly, but thoroughly, and rinse off.
4. Lather face and eyes quickly and rinse with plenty of water.
5. Irrigate the eyes alternately with baking soda solution (one tablespoonful in a quart of water) for at least 30 seconds.
6. Sponge the contaminated parts of the body with full-strength laundry bleach (such as Chlorox, Sani-Clor or Purex) if available, otherwise proceed to next step at once.
7. In a shower or tub (with drain open) lather the entire body several times, preferably with a strong laundry soap, and rinse off thoroughly.
8. Blot the body dry with a towel, wrap up in warm clothing or blankets, and rest, lying down.

REMEMBER YOUR EYES NEED CLEANSING ATTENTION IMMEDIATELY. HAVE ALL CLEANSING SUPPLIES IN THE BATHROOM. DON'T TRY TO IDENTIFY THE GAS. SPEED IS IMPORTANT.

Peninsula Center To Open Classes

Placements of students from pre-employment classes in the machine shop, drafting, and aircraft mechanics at the Peninsula Defense Training Center, 2801 Middlefield Rd., Palo Alto, continued at a high rate with one-third of the total enrollment being placed in the month of July.

This heavy rate of placements leaves openings for additional trainees in machine shop classes—8 a.m. to 4:30 p.m. Monday through Saturdays; 5 p.m. to 8 pm. Monday through Friday; and 8:30 p.m. to 12:30 a.m. Monday through Friday. drafting-layout, 6 to 10 p.m. Monday through Thursday; aircraft mechanics, 8 a.m. to 4:30 p.m. Monday through Friday.

Inquiries for arc welding have been received and a class will be started as soon as 15 can be recruited who will come five nights per week from 7 to 11 p.m. for a period of approximately five weeks.

KITCHEN AID

Before using a cup to measure molasses for cooking, coat the inside surface with flour and the molasses will pour easily from the cup.

Baldinis Purchase Redwood City Building

A building at the corner of El Camino Real and Brewster Ave. which houses the Wish Bone, the Top Hat and Henry Witte's real estate office has been sold to Mr. and Mrs. Dan Baldini and Mr. and Mrs. A. M. Czear for $27,500, according to stamps on a deed on record today in County Recorder T. Clark Rice's office. Sellers were Leona C. Koff and Ola M. Paulson.

Fresno Police Arrest Escaped Juveniles

Two San Francisco youths, one of whom escaped from the Log Cabin Ranch at La Honda and later escaped from the juvenile detention home in San Francisco after beating up a guard, were arrested Monday by Fresno police. The boys, 14 and 15, admitted stealing more than 21 automobiles in the past two weeks, the police said. They were wearing army uniforms they had taken from one of the stolen cars, police reported.

PERMANENT WAVE

THURS., FRI. SAT. 59¢ FOR COMPLETE HOME KIT

JUNE LANG
Glamorous Movie Star praises CHARM-KURL. This actual photograph shows her gorgeous Charm-Kurl Permanent Wave.

Each KIT Contains 40 Curlers
Shampoo and Wave Set also included

There is nothing else to buy. Shampoo and wave set are included in each Charm-Kurl Kit. With Charm-Kurl it is easy to give yourself a thrilling machineless permanent wave in the privacy of your own home that should last as long as any professional permanent wave. You do not have to have any experience in waving hair. Just follow the simple instructions.

Waves Dyed Hair as Beautifully As Natural Hair

Dyed or bleached hair is a problem when it comes time for a permanent. But many have found that Charm-Kurl waves their dyed hair as beautifully as it does natural hair. In fact some of them tell us that Charm-Kurl is the only permanent wave that "takes" on their hair. If your dyed hair is a secret, Charm-Kurl will keep it so.

So Easy Even a Child Can Do It

Charm-Kurl is easy and safe to use; no experience required; contains no harmful chemicals or ammonia; requires no machines or dryers, heat or electricity. Desirable for both women and children.

8 Reasons Why You Should Use Charm-Kurl
1. SAFE — EASY TO USE
2. NO HARMFUL CHEMICALS
3. FOR WOMEN AND CHILDREN
4. NO EXPERIENCE NECESSARY
5. CONTAINS NO AMMONIA
6. NO HEAT — NO ELECTRICITY
7. NO MACHINES OR DRYERS REQUIRED
8. WAVES DYED HAIR AS BEAUTIFULLY AS NATURAL HAIR

San Mateo, Bus Firm Sued for Damages

The City of San Mateo and the Pacific Greyhound Lines were defendants today in a $10,000 damage suit filed in superior court at Redwood City by Ida Goldstein and her husband, Edward Goldstein, San Mateo. Also named as defendants were Joe and Asunta Musante, owners of property on the westerly side of Ellsworth Ave. between Third and Fourth Sts., San Mateo, which is used as a bus parking lot.

The Goldsteins charged that loose gravel broken on the sidewalk across which the buses were driven to the parking lot caused Mrs. Goldstein to fall on Dec. 15, 1942, and injure her right foot and leg. She alleges the injuries are permanent.

Follies Feature Tahitian Dance

For the first time a truly authentic dance of the glamorous and fabled South Sea isle of Tahiti has been translated to skating and is interpreted by Bess Ehrhardt, as a featured presentation in the Ice Follies of 1943 now showing for a limited engagement at Winterland in San Francisco.

Miss Ehrhardt's appearance in the San Francisco engagement marks her return to the ice after a year's absence spent in her home in nearby Hillsborough.

During her sabbatical leave from the Ice Follies, Miss Ehrhardt made an intensive research into the native dance lore of the Tahitians and the result is an authentic dance translated to skates in the best and inimitable Ehrhardt manner.

Assisted by a bevy of Follilettes attired in startling costumes, Miss Ehrhardt cavorts through a myriad of intricate routines climaxed in a rousing finish that reaffirms her nationally known reputation as "America's Sweetheart of the Ice."

Bess Ehrhardt in private life the wife of Roy Shipstad, star and co-producer of the Ice Follies, is a native of Superior, Wis. She has been associated with the Ice Follies since the founding of the company seven years ago. She began as a chorus member, progressed rapidly into the ranks of the featured performers, and rose to stardom to become one of the great favorites of the big ice palaces of the nation.

As a special convenience, so that patrons may fully avail themselves of transportation and other facilities operating under wartime schedule, the nightly performances commence at 8 o'clock instead of 8:30 as in other years.

A pair of 25-pound wolverines has been known to get the best of a 500-pound bear.

Iodine is derived chiefly from the salt deposits of Chile.

S. M. County Officials Laugh Off Merger Proposal

San Mateo County officials have laughed off the proposal made Monday by San Francisco Supervisor Alfred Roncovieri that this county be merged with San Francisco under a borough system of government.

"This seems to be a perennial dream of Supervisor Roncovieri," County Executive Frederick Peterson declared, "and the present is no time to dream but a time for the action of everyone to help win the war."

Fred E. Beer, chairman of the San Mateo County Board of Supervisors, declared the proposal was "nothing to take seriously."

The proposal to consolidate the two counties has come up repeatedly over a period of years, county officials pointed out. Roncovieri has been champion of the plan.

Ronald Campbell, county planning advisor, when asked what effect such a merger would have upon county planning, said he would not even contemplate the results until some definite action had been taken.

Roncovieri Monday introduced a resolution to the San Francisco Board of Supervisors calling for appointment of a citizens' committee to investigate feasibility of consolidation at this time. The board referred the resolution to joint committees on county affairs and commercial development.

Supervisor Roncovieri said the resolution was presented "in order that this richest region of California may come into its own as the most important metropolitan area of the Pacific Coast." He predicted the two-county metropolitan area is destined to become the aeronautical hub for the vast Pacific basin, the center of a shipping industry covering the seven seas, the home port of the Pacific fleet and the location of numerous new industries.

Supervisor Beer said he believed consolidation would be more of a detriment to San Mateo County than a help. This county has always opposed it, he declared. He added that the board of supervisors would be guided by the people.

Under a borough system of government, San Mateo County would have a representation, but it would be too small to do this county any good because the population here is less than San Francisco, Beer declared.

The merger would increase San Francisco's tax base, Beer pointed out. San Mateo County is about free of obligations in the way of bonds, Beer said, while San Francisco is heavily loaded with tax burdens.

It would take a long time to put a new type of government into effect, Beer said.

If action on the proposal were ever necessary, Beer said, "we would have to put it before the people."

The flight decks of airplane carriers are surfaced with wood.

THOUSANDS OF NURSE'S AIDES, REGISTERED NURSES *and* HOME NURSES ARE NEEDED NOW!

There is a serious shortage of women with nursing skill in Northern California—a shortage that could become dangerous to community health, according to the American Red Cross. Look at these figures and see why . . . Only 3,000 Nurse's Aides have been trained. 10,000 are needed. 13,000 Home Nurses are enrolled. 100,000 are needed. To overcome this three things must be done . . .

1 Trained nurses are desperately needed. They are needed for the army and navy hospitals overseas. Registered nurses now in retirement should report for duty now and make possible release of trained nurses now on civilian duty here.

2 Nurse's Aides must be recruited from the homes and from other full time employment. By doing minor duties, such as taking temperatures, making beds, assisting in dressings and helping apply casts and slings, they can release graduate nurses for more important duties.

3 Home Nurses are needed to take care of the sick and injured members of their own families in their own home and thus prevent an added burden upon the already crowded hospitals.

The American Red Cross reports the need for 10,000 Nurse's Aides for service in the hospitals of Northern and Central California

WHO . . .

If you are between 18 and 50 years of age you can become a Nurse's Aide in any of 80 hospitals in 66 communities.

WHAT . . .

To become a Nurse's Aide you must prepare by doing 80 hours of preliminary training in hospital courses prepared by the RedCross. You then must give a minimum of three hours a week during the next year.

WHY . . .

These hours you give become life saving hours because you relieve the strain on our overworked nurses in hospitals, clinics and other health agencies.

This is the critical period of the war both here and in foreign fields. The home front must make all out sacrifices just as our fighting men are doing. There is a challenge to Health here at home. Step in and meet this challenge now. If you are a Registered Nurse now retired—step forward and get into active service again. If you can spare a few hours a day, enroll in the RedCross courses in Nurse's Aide or Home Nursing. This nursing job must be done. Hundreds are enrolling now. Do your share—boost this enrollment into the thousands

SAFEWAY Homemakers' Guide

Ideas for that main course

It can be a fascinating game these days—trying to figure out what to have for that main course. Despite shortages in some foods, those main dishes must be hearty, appetizing, attractive and budget-fitting. Here are some suggestions that may help.

MACARONI MEAT LOAF — Cook 2 cups macaroni in boiling, salted water until tender. Combine with ¾ to 1 pound ground meat, beef, lamb, veal or pork or combinations of these meats. Add 2 cups chopped tomatoes, chopped onions and green peppers to taste, and season with salt and pepper. Add 1 or 2 beaten eggs and turn into a greased loaf pan and bake in a moderate oven (350° F.) for about 1 hour until meat is done. It is your meat and starch courses all in one, and it makes meat go twice as far.

STEW A LA MODE—Cook stew as usual, adding vegetables (but not potatoes) in season. When done, thicken the liquid and pour gravy, meat and vegetables into a casserole. Top with hot, mashed potatoes, and place in a hot oven (450° F.) for about 10 minutes or until potatoes have turned a toasty brown. Serve at once. This stew may well be a company dish for all its goodness and eye appeal.

CHEESE DITTY—Saute 2 or 3 tbsps. chopped onion until limp, then add 2 or 3 chopped tomatoes, salt, pepper, and a dash of sugar and simmer for about 10 minutes. Add ¼ to ½ pound of grated cheese and cook until melted and thoroughly blended. Finally, add 1 beaten egg gradually and stir constantly to blend in the egg smoothly. Cook just a minute longer until velvety in consistency. Serve immediately on thin, hot toast.

NEPTUNE PIE — Place 1 to 2 cups cooked, flaked fish in a greased casserole. Make 2 cups white sauce, and fold in a well-beaten egg and season with salt and pepper. Pour this sauce over the fish and top with 1 cup fresh bread crumbs, dot with bacon drippings or other fat, and bake in hot oven (425° F.) for about 15 minutes or until crusty brown. Grand for Friday and any other day. Use any kind of fish, canned, fresh cooked, or shell fish.

S.F. Concern Takes Option On Property

Negotiations are underway for a new war plant in the Redwood City area, E. W. (Ned) Butler, chamber of commerce manager, said this week.

The East Asiatic Co., Inc. has taken an option on an old mill site on the old County Rd. between Belmont and San Carlos for a factory which would employ approximately 150 people.

Plans for the project are not too certain as yet, Butler said. "Everything depends on whether the federal government changes its mind on the necessity of producing the particular product." Just what would be produced was a government secret, he said.

The East Asiatic Co. operates a fleet of steamships out of San Francisco and has specialized in bringing freight from South America.

Butler said the company had been trying for three months to find a suitable location for the plant. There was some difficulty in getting the War Manpower Commission to agree that enough employes could be found to operate the plant as the commission was already considering declaring this a critical area.

S.M. Leaders Oppose Consolidation

SAN MATEO—San Mateo County is better off under its method of government than it would be by consolidating with the City and County of San Francisco and city and towns be forced to operate under the borough system.

This is the opinion expressed by civic leaders here today in commenting on the move reopened by the San Francisco Board of Supervisors to place a county merger program up for consideration.

"This county has now attained a proportion of growth where it is big enough to stand on its own feet. It doesn't need San Francisco. San Francisco needs it," said Earl F. Wilsey, city manager of Hillsborough, as he took emphatic stand against a San Francisco proposed merger plan.

A direct hit at San Francisco politicians was contained in the statement of Edward H. Cosgriff, president of Burlingame's chamber of commerce.

"San Francisco politicians should stop trying to tell our people what to do," he said. "The tax rate in San Francisco is higher than the tax rate under which our communities now operate. They cannot offer us a single advantage which we are not now enjoying. We are far better off operating as a county by itself. Our county and cities are self-governed now. Let's keep them that way."

Soldier's Estate Goes to Widow

Petition for probate of will of 2nd Lt. Raymond E. Kennedy, who died in Hawaii Mar. 28, was on file today in superior court in Redwood City. He left his estate, valued at less than $2500, to his widow, Mrs. Evelyn V. Kennedy of Daly City. The petition was filed by a brother, James Kennedy of San Bruno. Lieutenant Kennedy was survived by five brothers and three sisters.

Menlo Park To Send 19 In Draft

Nineteen men will enter the armed forces from Menlo Park during the month, making up the August call for Selective Service Board 107.

Eight of them will leave for the reception center Aug. 14 after a three weeks' furlough. They are:

Vincent Steck Jr., 1983 Euclid Ave., East Palo Alto.

George John Rodriguez, 1156 Middle Ave., Menlo Park.

Jacob Ernest Pfaff, 1231 Woodland Ave., East Palo Alto.

Billy Palmer, 917 Fremont St., Menlo Park.

Joseph Thomas Giudici, 262 Princeton St., Menlo Park.

Charles Richard Dunlop, Redwood City.

John Madruga, Half Moon Bay.

George Edward Senior, Menlo Park.

Charles Douglas Potts of Menlo Junior College and Honolulu will go direct to the center without furlough.

Christopher Winovich of 24 Princeton St., Menlo Park, will enter the U. S. Marine Corps.

Hugo Nead of 40 Woodrow St., Redwood City, has a special assignment with the U. S. Engineers.

The navy will get Albert James Gianotti of 800 Live Oak St., Menlo Park, on special assignment and Dean Hanson Yaw of 2306 Ellsworth Ave., Berkeley.

Those going into the army air forces follow:

Ray Joseph Burwell of Mesa, Ariz.; Robert Sloan Jr. of Santa Maria; Rodney Wood Harris of 42 Tuscaloosa Ave., now at Eagle Field, Dos Palos; Thomas Daniel Ehrman of Mezes Rd., Atherton, and Frederick Alexander Becker of 1235 Laurel St., Menlo Park.

Five members of the Menlo Park board attended the meeting in San Francisco Saturday at which Maj. Gen. Lewis B. Hershey, director of selective service, outlined regulations governing the draft of pre-Pearl Harbor fathers. They were Dr. Lawrence H. Cook, chairman; George F. Cleese, secretary; John L. Carter, Half Moon Bay; Edwin C. Aldwell, Atherton, and Roy Bonnell. Mrs. Mary Martini, clerk of the board, was also in attendance.

Explosion Burns Two

SOUTH SAN FRANCISCO — The detection of gas fumes in their home and the lighting of a cigaret were too simultaneously timed for two South San Francisco men Monday. The resulting explosion sent both of them to a South San Francisco hospital with first and third degree burns, and blew out the walls of their home on El Camino Real between Mission Dr. and First St.

George Badders, 59, the more seriously burned of the two, is in a critical condition, according to hospital attendants. Charles Perkins, 63, is suffering from third degree burns.

Ex-Mayor of San Mateo Leaves Estate to Wife

Ferderick J. Smith, retired San Mateo furniture dealer and ex-mayor of San Mateo who died July 24, left his entire estate, value of which is unknown, to his wife, Mrs. Kunigunda J. Smith, 140 13th Ave., San Mateo, according to a petition for probate of will on file today in superior court at Redwood City. Mrs. Smith was named executrix in the will.

One thousand Czechoslovakian air pilots are now flying with the Royal Air Force.

City Valuation Increases By $764,482

Assessed valuation of Redwood City property this year is $17,540,072, Mrs. Nellie L. Miramontes, tax collector and assessor, announced Monday. The figures show a $764,482 increase over last year's total.

Redwood City City Council, meeting as a board of equalization Monday, received no written or oral protests from property owners regarding assessed valuations. As a result the figures will be used for the basis of the tax rate.

To determine assessed valuation, land, improvements and personal property values are totaled and exemptions subtracted from them.

Largest assessed valuation was for the annex section of the city —$9,059,555. Other sections were $5,368,140, Old Town; $1,091,510, South Redwood; $57,900, Carmelita Manor; $26,660, Friend Industrial Tract; $28,240, Port Area; Utilities in the old town had an assessed valuation of $1,119,560. Assessed valuation of utilities in other sections were 585,800, Annex; $140,840, South Redwood; $22,010, Port Area, and $18,470, Friend Industrial Tract. Assessed valuations of utilities are submitted to the State Board of Equalization for final revision City Mgr. Robert W. Mead said the increases are mostly the result of industrial expansion. Residential building has been negligible in the past year, he said.

Exempt property included schools, $655,350; churches, $128,240; municipal buildings, $373,135; county property, $109,380; parks, $22,430, and Union Cemetery, $1000.

Physician Found Dead

HALF MOON BAY—Dr. Clyde R. Bennett, 42, a recent arrival in Half Moon Bay, was found dead in an auto court here Wednesday by San Mateo County Supervisor Alvin Hatch.

On the table beside the bed were three empty boxes which Coroner William Crosby stated had contained "potent" sleeping powders. An investigation by the coroner's office showed that one of these boxes, containing 50 tablets, had been purchased in Half Moon Bay yesterday by Dr. Bennett. The Coroner stated that 12 of these tablets would have caused death. A search of the room in the auto court failed to disclose any of the boxes' contents. Dr. Bennett was last seen yesterday morning.

Holdup Man Robs Burlingame Theater

BURLINGAME — Surrounded by a crowd of several hundred people who were unaware of what was taking place, a robber held up the ticket office of the Broadway Theater in Burlingame Monday night at 9:20 and escaped with $60 in currency.

Betty Ulrich, cashier, said the man approached the window with his hand in his pocket apparently holding a gun and said "Hand over all your paper money, quick." The robber then scooped up the bills and ran down California Dr., she said.

Prowl cars dispatched to the scene by police were unable to find the man.

JR. CHAMBER: Members Plan Service Entertainment

Member of the Redwood City Junior Chamber of Commerce last night furthered plans for their part in the entertainment of 150 servicemen at the Hale Estate in Woodside on Aug. 29.

H. J. (Jack) Dunlap, chairman of the committee in charge, reported the Redwood City group will be responsible for transporting the servicemen and 150 women from San Francisco to the estate and return. Members of the club will serve as hosts at the barbecue program. The San Francisco United Service Organizations is co-operating and will provide food and music.

Dunlap said the committee is attempting to arrange for use of five Sequoia High School buses for transportation.

Men to be entertained will include sailors, soldiers, marines and coast guardsmen who register at the USO center in San Francisco.

Facilities of the Hale Estate have been donated for the day's entertainment.

Other business conducted at last night's junior chamber meeting included:

Appointment of John Mack and William Morrissey as representatives on the Redwood City USO committee for the fall campaign.

Reappointment of A. H. McGovern as member of the Redwood City Traffic Commission.

Appointment of Frank Delucchi as treasurer to succeed Robert Heilman resigned.

Discussion of a district meeting to be held in Santa Cruz tomorrow night. A delegation from the Redwood City group will attend.

Tabling of a San Francisco Junior Chamber of Commerce request that the Redwood City group join in planning for postwar expansion of Bay Area airport facilities.

A request for additional volunteers in the Red Cross Disaster program by Chairman Floyd McCue.

Communicable Disease Falls Off in County

There were few communicable diseases reported in San Mateo County during the week ending July 31, it was announced today by Dr. Charles C. Gans, county health director. There were 11 cases of measles, four in Burlingame, two each in San Bruno and San Carlos, and one each in East Palo Alto, Hillsborough and San Mateo. There were three cases of syphillis in the county, three cases of German measles, two cases of chickenpox, one case of mumps, two tuberculosis and one poliomyelitis.

Highway Commission Files Freeway Condemnation Suit

First suit for condemnation of property for use as a right-of-way for the proposed $100,000,000 Bayshore Hwy. freeway was filed in superior court at Redwood City Tuesday by the California Highway Commission.

The complaint in eminent domain was for 26.08 acres along Nueva Ave., San Francisco, south of Third St., running toward the San Francisco Bay. It will cut out a section of about a half mile in the Bisbane area, highway officials explained.

The move was the first of a series of condemnation suits to be filed in anticipation of postwar highway building, a representative of the commission said. Property has been bought "in spots" as far down as Palo Alto in anticipation of the freeway, it was pointed out.

"We have been buying lots for a year and a half," a right-of-way agent said.

The complaint was filed in the name of the "People of California . . . through the Department of Public Works" against N. Hansen Co. Ltd., Crocker Estate Co., City and County of San Francisco, and several individuals.

The suit was authorized by the commission Monday.

Peninsulan's Brother Dies in Plane Crash

Second Lt. Rollin N. Wilson Jr., brother of Mrs. E. E. Phillips, 301 Magnolia Ave., Millbrae, was among five fliers killed in the crash of a medium bomber from the Columbia Army Air Base, Columbia, S. C., Saturday, the public relations office through the Associated Press reported today. Lieutenant Wilson was pilot of the plane.
